20 The file states there no doubt is an instance of a "Refund" in favour of the Dunbai. But it does not exactly seem to meet the case. From the Board's letter dated 12th June 1907, it looks as though the price had gone down from April 1907. Our order was placed in May of that year, in ignorance of the reduction in the price, which, it will be observed, was not communicated to us till our indent reached them. It is therefore not a case of "Concession" as the Board would have us believe.
